Regretfully, I will not be able to seek re-appointment to the Alexandria Consumer Affairs Commission following my term's expiration this month. I have enjoyed my work with the Commission and believe that it is working toward some outstanding goals.

Fortunately, my husband and I are leaving this afternoon for Russia to finalize the adoption of our child and will be gone for the majority of this month. Upon our return, I will be spending at least the next 3-6 months focused on my new family situation. I hope to return to serving the City in another committee/commission capacity. However, the time I have missed due to adoption travel and preparation make it clear that for at least a little while I will have to support your efforts from the sidelines.

Sincerely,

Kimberley Moore

Stafford: Thanks for your email. I am sorry that you can no longer serve on the committee, but I do understand priorities. Thanks for your efforts, and hope that we will at least see you from time to time.

I am copying Rose Boyd on this email, but I think you will need to send a brief resignation letter to her, so that she can formally take you off the committee. With regard to Doug's interest in serving, he should apply when Rose advertises the position.

I am also copying Sandra, Charlotte and Claire as per your request.

Take care and keep in touch. jb.

Janet,

Hi hope all is well.

I just wanted to drop you a note giving you the BAD news.....I am going to be stepping down from the Committee effective October 1, 2002. I have sold my boat and do not have a slip within the marina. I am also trying to clear some time in preparations for the Federal trials, as I will be working 12 hours days for the next year or so.

I have been contacted by Doug Gosenell who is interested in filling my seat. He is a current slip holder, and I will have him contact you reference the same.

Please forward this information to Charlotte, Claire and Sandra.

Thanks.
Stafford
